# Introduction

McAfee, LLC (formerly known as McAfee Associates, Inc. in 1987-2014 and Intel Security Group in 2014-2017) is an American global computer security software company headquartered in Santa Clara, California and claims to be the world's largest dedicated technology security company.

## ▣ History

The company was founded in 1987 as McAfee Associates, named for its founder John McAfee, who resigned from the company in 1994. McAfee was incorporated in the state of Delaware in 1992. Network Associates was formed in 1997 as a merger of McAfee Associates, Network General, PGP Corporation and Helix Software.

# How to Use McAfee Activation Code?

- ❑ The following steps will help the users to use McAfee Activation Key:
- ❑ Open your system.
- ❑ Go to the Internet Browser.
- ❑ Browse [Mcafee.com/activate](https://mcafee.com/activate).
