How to Sign up for Twitch?

If you are looking for entertainment or admire the gameplay, Twitch is the immense platform to enjoy the live streaming of your favorite video game. Let's understand how to sign up for a Twitch account.

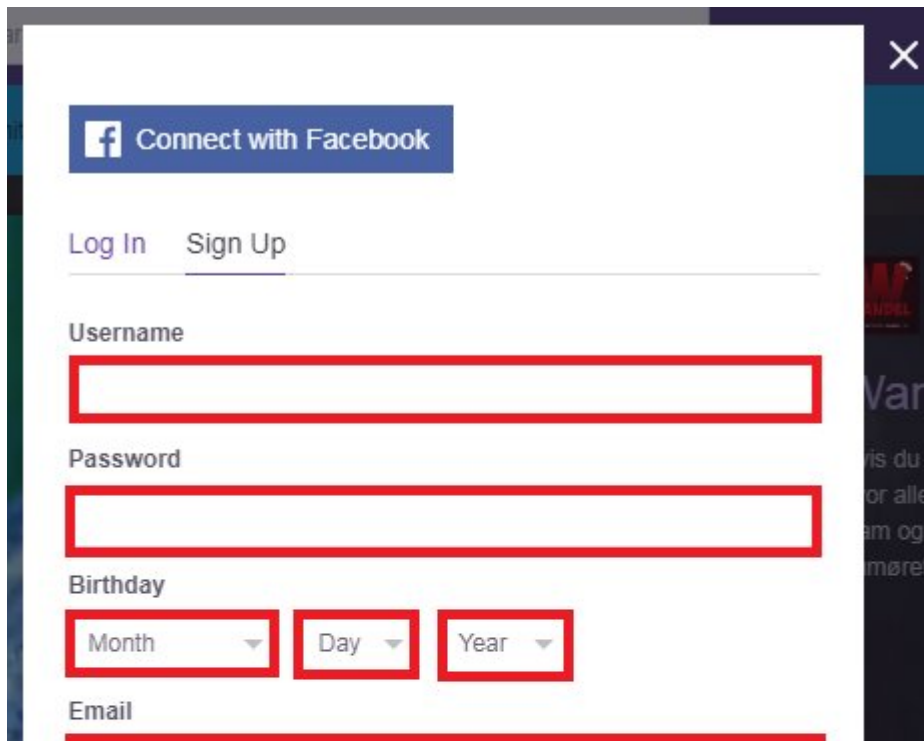

Standard Sign Up: If you don't have a Facebook account to sign up or don't want to sign up through a Facebook account, follow the steps to create a twitch account.

- Visit to the Twitch official website
- Go to the Twitch homepage & click on the **“Sign Up”** button

- A sign up form will appear on your screen, fill all details in the signup form

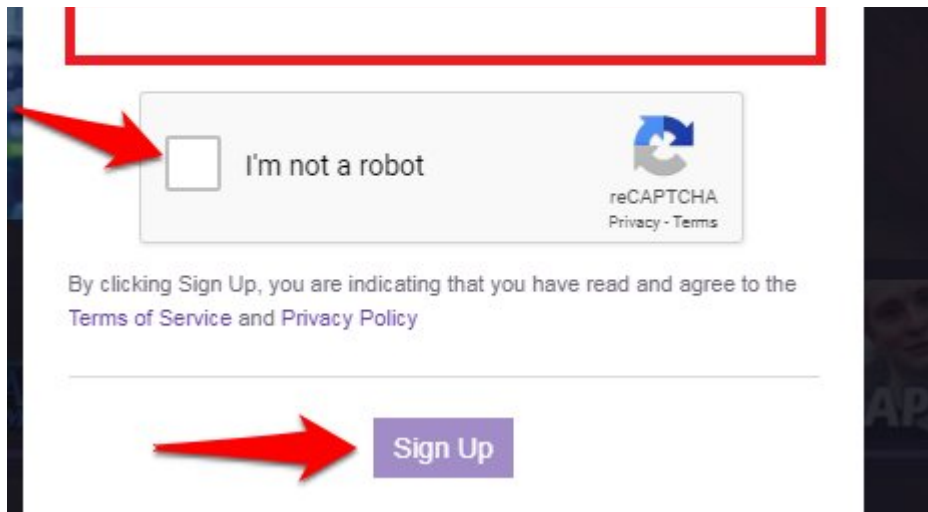

- Click on **“Next”**
- A popup window will appear on your screen, click on the captcha and solve it
- In the last, click on **“Sign Up”** to create a Twitch account

The image shows a screenshot of a web form for signing up on Twitch. The form is contained within a white popup window with a dark border and a close button (X) in the top right corner. At the top left of the form is a blue button with the Facebook logo and the text "Connect with Facebook". Below this are two links: "Log In" and "Sign Up", with "Sign Up" being the active link. The form fields are as follows:

- Username:** A single-line text input field, highlighted with a red border.
- Password:** A single-line text input field, highlighted with a red border.
- Birthday:** Three dropdown menus labeled "Month", "Day", and "Year", each highlighted with a red border.
- Email:** A single-line text input field, highlighted with a red border.

On the right side of the popup, there is a vertical dark bar containing a red Twitch logo and some partially visible text in Danish: "Van", "is du e", "or alle", "am og t", "møret".

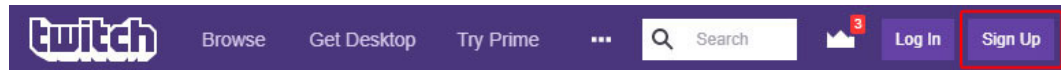

Note: To use your twitch account, you have to verify your account by clicking **“Verify your email.”**

- After click on sign up, you will receive an email on your registered email id.
- Open your mail, and click on verify your email.

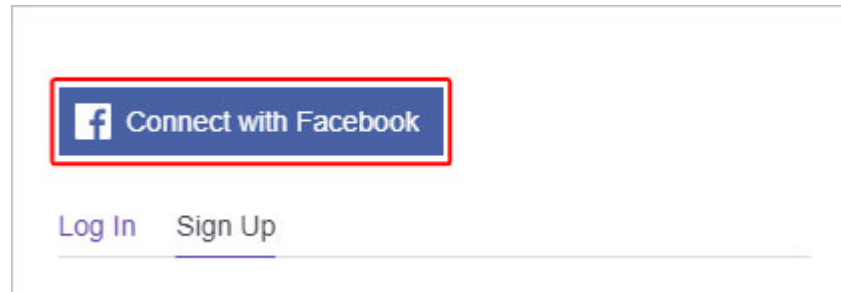

Voila!!! Your account is ready to use.

Sign up by Facebook account: Twitch allows you to create an account by Facebook. Just click on connect with Facebook, you will be

automatically logged in to your twitch account. Here are the steps you need to follow:

- Open twitch official website
- Click on **sign up**
- Now, click on **“Connect with Facebook.”**

- Once you sign in to your Facebook account, click on the **“Continue as 'your name'”**

You will be successfully signed up for a twitch account.
