

[Hair Colour For Women Near Me](#)

Keratin works best to help deal with frizzy and damaged hair. Visit our hair salon for colour and keratin treatment. We proudly use Keune colours at Bondi Hair Salon and also provide an organic colouring service through our So Pure Colour Keune range which contains sandalwood jasmine and argan oil infused in the hues. Our friendly and enthusiastic team enjoys re-styling hair, colouring hair and colour corrections to make sure you get the perfect look.

Your stylist will provide you with a comprehensive consultation to ensure they are fully informed about what you want and aim to create the most flattering style for every client. We love colouring and transforming our client's hair so they can feel confident and happy when they leave the salon and feel like a million dollars. <https://www.bondihairsalon.com.au/services.html>
