

# DECK REPAIR AND REPLACEMENT

Pacific Exteriors NW

# ABOUT DECK REPAIR AND REPLACEMENT

Pacific Exteriors NW is the premier greater Portland, OR deck company and Vancouver, WA decking contractor offering many different choices of materials for all of our clients. Custom decking and decorative railings are a specialty of Pacific Exteriors NW here in the greater Portland metro and Seattle-Bellevue surrounding areas.

# DECKING REPAIR AND REPLACEMENT SERVICES:

- Decking Removal and Replacement
- New Decking Installation
- Damaged Decking Repair Experts
- DryRot Decking Repair Experts
- Decking Problems Experts

# TYPES OF DECKING WE OFFER FOR THE PORTLAND, VANCOUVER, AND SURROUNDING AREAS:

- WestCoat Waterproof Decking
- Tremco Waterproof Decking
- DuraDeck Systems
- Trex Composite Decking
- Cedar Decking

Pacific Exteriors NW provides and installs TimberTech decking, Fiberon lifetime composite decking boards and Trex decking with the option of being pre-colored or stain finishes that are maintenance free that include a special mounting system with hidden fasteners. Pacific Exteriors NW will bring out the beauty of Real Cedar decking or TigerWood decking by applying advanced staining or clear sealants to enhance the true color pigment of wood. Here in the greater Portland metro and Vancouver surrounding areas, Pacific Exteriors NW also provides and installs premium waterproofing deck coating systems like Westcoat ALX, DuraDeck, and DecTec that require an underlayment membrane.

With over 30 years of experience, Pacific Exteriors NW is a preferred Portland and Vancouver decking contractor and deck company that is committed to excellent service and communication, quality workmanship, attention to detail, and honest and affordable pricing.
