## How to Register for the Khelo Yaar- Follow a Few Easy Steps.

Registering for the Khelo Yaar will be a far easier and hassle-free process if you follow a few steps.

- The first one is finding a recognized [Kheloyar App](#) provider. Search online to reach the best ones and decide which one is secure and convenient to provide you with a seamless betting experience.
- Browse the official website, and click on the link that will redirect you to an online form. Fill in the form by providing details like name, address, email ID, contact number, preferred transaction options, and a lot more.
- The next step to add a new feather to betting account registration is account verification which is done by sending an OTP on a registered mobile number or a message on a registered email ID.
- Never provide false information or you may lose your betting account. The OTP should not be disclosed to anyone. It just lasts for a short while.
- Once the account verification procedure is done, you will get a username and a temporary password. Change the password according to your convenience and make it strong enough to protect it from hackers.

Now, deposit money for the first time to activate your betting account. Without depositing money, you cannot bet on the event. Plus point is that you can deposit a minimum amount of INR 100 to start betting. On the first deposit, the **Kheloyar App** provider will provide you with a welcome bonus.
